How Can We Help YOU?

**We want you to be completely satisfied with your purchases from us!
Please feel free to contact our friendly customer care representatives for assistance.**

WE OFFER

- **HIGH QUALITY PRODUCTS • FACTORY DIRECT LOW PRICES • FAST SHIPPING**
- **KNOWLEDGEABLE CUSTOMER CARE • HARD TO FIND ITEMS • 24 HOUR A DAY ONLINE ORDERING**

CLAIMS

We take great care to prepare all orders for shipment. Most orders that we ship arrive in excellent condition. Upon receipt of your purchase, please inspect the package(s) and check the invoice (located in the pouch on the 1st box) to ensure you received your entire order.

If you receive a damaged package, please refuse the package and immediately contact our customer service department. All claims must be reported within 24 hours of receipt.

CONVENIENT PAYMENT OPTIONS

We accept most credit cards! You may make purchases via money order, cashier's checks, money transfers and now even checks by phone. You can also email us your orders. We also accept purchase orders upon approval.

Past due accounts will be subjected to a finance charge and possibly a re-invoicing fee. All invoices over 60 days will be sent to collections and are subject to a collections fee. Returned items may include a restocking fee.

RETURNS

If within 30 days of receipt you are not satisfied with your purchase, you may exchange or return non-tailored & non-custom items in the original condition and packaging. Upon approval, custom items such as lightbars, special orders, custom badges or emblems, uniforms with tailoring may be returned for adjustment if we have not made them in accordance with your detailed instructions. All returned merchandise is subject to approval by the Returns Department. Every package subject to return or exchange must be followed by a RMA number, which can be obtained from our Returns Dept. The RMA number is active for 14 days following the date of issue. All packages received without a RMA or an expired RMA will be refused. You may make changes to an order before we ship it to you. However, after an order has been processed, a restocking fee may be billed to your account for any cancellations. **Shipping charges are non-refundable.**

SHIPPING METHOD

Shipping charges may vary according to size, weight and location of shipment. Expedited shipping fees may apply. Please contact a customer care representative for any shipping inquiries.

MISCELLANEOUS

U.A.W. strives to maintain accuracy for all our catalogs and mailers. We are not responsible for misprints due to human error or mistakes by the editor.

All prices are subject to change without notice.

LAW ENFORCEMENT SALES POLICY

It is the customer's responsibility to verify that the purchase and use of any product from U.A.W. is legal and free of restrictions in their home state. Customers shall warrant to U.A.W. that they are authorized to make purchases and that they are in full compliance with local, state and federal laws regarding restricted items. U.A.W. shall not be held liable for customer's use of such equipment. To verify legal restrictions on purchasing and using all such items, contact your local authorities. There are no other warranties, expressed or implied, including but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall U.A.W. be liable for any loss of profits or any indirect or consequential damages arising out of any such defect in material or workmanship.

Verifiable proof of occupation must be submitted for all police, sheriff & law enforcement items and accessories.

LIGHTBAR WARRANTY

If you receive a damaged package, please refuse the package and immediately contact our customer care department. All damages must be reported within 24 hours of receipt.

- **Warranty begins from date of purchase • Warranty on lightbars is 12 months on hardware • Customer is responsible for all shipping on warranty repairs • After the warranty period ends the customer is responsible for all charges**

HIGH VISIBILITY REFLECTIVE STRIPING

A reflective stripe can be a perfect safety addition for any nighttime or low-light activities. It is the same material used on highway cones. It is made using microscopic glass beads to allow it to reflect 1500 times more light than white fabric. We can add one to all your polo and other work shirts.

ALL WEATHER DELUXE TROPICAL SHIRTS

The All Weather Deluxe Tropical weave shirts are comfortable and durable. They are made from 10-10½ ounce, 65/35 Poly/Rayon. These shirts are often imitated but never duplicated. The 6600 series is a sturdy yet breathable fabric that retains its body and drape. Wearers attest these Deluxe Tropicals become more comfortable after each machine washing! Available in many colors and styles, it's the choice of many agencies nationwide.

Deluxe Tropical shirt features include:

- Form-fitted tailored look designed to fit comfortably over body armor
- Pleated pockets with scalloped flaps and Velcro closures
- 5 permanent sewn in creases, two in the front continuing through pocket and flap and three in the back
- 7-button placket front
- Durable, double-stitched shoulder straps and pocket flaps
- Hidden pencil compartment
- Full badge sling
- Optional concealed zipper may be added

100% WOOL SHIRTS & TROUSERS

The 100% Wool LAPD Navy 9586 range shirts and matching trousers offer the utmost in styling, comfort, and durability. The wool fabric offers inherent natural breathability, and the incomparable California-styled favorite. Shirts are made in a 10-10½ ounce tropical weave, tailored with double needle stitching throughout, and include elbow reinforcement patches. Sewn buttons on shoulder straps and pockets are convertible to accommodate removable metal buttons.

Shirt also features:

- Form-fitted tailored look designed to fit comfortably over body armor
- High luster collar & yoke trim
- 7-button placket front
- Metal eyelet badge holder
- Plain pockets with scalloped flaps & Velcro® closure
- Cross-stitched shoulder straps
- Hidden pencil compartment
- An optional concealed zipper may be added

The trousers are made of durable, 2-ply, 17-17½, ounce, 100% Wool, feature hip and club pockets and a fully lined seat. Unhemmed.

LIBERATOR BODY ARMOR

CONCEALABLE BODY ARMOR BY FIRST CLASS

The Liberator Body Armor is for those who demand uncompromising performance and comfort. Utilizing DuPont Kevlar for incredible performance and dependability, the Liberator Series is 30% lighter than current all-Aramid fabric armor, providing an excellent combination of flexibility and comfort. The front, back as well as the sides of the body have protection from firearms.

Specifications:

- Ballistic material: KEVLAR
- Ballistic technology: DuPont
- Protection Level: IIIA
- 6 point elastic and 4 point-point wide wrap with Velcro
- Poly-cotton/aquadyne carrier system
- Soft 6" x 8" Trauma Plate
- Color: Black

Available in chest sizes with regular vest lengths:

- Small (34-36)
- Medium (38-40)
- Large (42-44)
- 1XL (46-48)
- 2XL (50-52)
- 3XL (54-56)
- 4XL (58-60)

For Ballistic Capabilities of this body armor, please visit our web site at www.uniforms4all.com

Sizes available: Small - 4XL

- For 2XL add 10%
- for 3XL add 15%
- for 4XL add 20%

\$299⁹⁹

ARFC-01

You must check your own state for laws and regulations on body armor usage.

ASP CHAIN HANDCUFFS

ASP chain handcuffs provide a major advance in both the design and construction of wrist restraints. Frame geometry is the result of extensive computer modeling and simulation analysis. Strength potential has been maximized through use of an interlocking unitized frame. The cuff structure is forged from high strength stainless steel on custom built, high speed, progressive dies. Each restraint is then over molded with ordinance grade polymer under 75 tons of pressure. The lock assembly is unitized and replaceable.

- Flat contact surface
- Keyway on each side
- Hand welded stainless chain

Shirt Holders
4 per box

SST-03

Y Style Stays
2 per box

▲ **\$6⁹⁹**

How to wear shirt stays

- 1 Dress yourself partially being sure that you are wearing socks that reach at least the mid-calf. Your undergarments should be on as well as the shirt you are planning to wear.
- 2 Clip the shirt stay onto your sock so that it is on the outer part of your leg. Repeat with another shirt stay on the other leg.
- 3 Fasten the other end of the shirt stay to the base of your shirt using the clip. Repeat on the other side as well. You should feel a slight bit of tension from the shirt stay. Otherwise, you will be easily un-tucked.
- 4 Pull up your pants and fasten your belt. Now you are fully dressed.

GUARD DOG PEPPER SPRAY

NEW

\$99⁹⁹

CARING FOR YOUR BOOTS:

- Cleaning the boots: Brush off any excess mud and wash them in clean warm water with a cloth
- Boots should never be forced dried as it will encourage the leather to dry out and crack
- Should the boots become excessively wet, stuff them with newspaper to draw out water. The newspaper should be replaced periodically.
- Boots can be dried by a gentle flow of air from a small fan or by placing them in an upright position in front of the refrigerator.
- After drying, you can use a waterproofing/conditioning substance if desired
- Prolonged application of liquid repellent may cause the leather to become overly flexible.

DANNER ARCADIA 8" TACTICAL BOOTS

- Ideal for action in warmer climates
- Water-resistant Leather
- Smart easy to wear boot (U.S.M.C approved)
- 1000 denier Cordura & a Gore-tex liner to deliver all round performance

GARRETT SUPERWAND

The new Garrett SuperWand features an ergonomic grip to fit comfortably in every hand.

Detecting all metallic objects, the Garrett SuperWand is ideal for use in government facilities, security operations, hospitals, banks, and community events. Users can choose between an audible and silent vibrate/LED lights alarm signal. The easy one-touch button & three-color display operation uses red, green & amber LED lights. Because it automatically retunes, the Garrett Super Wand requires absolutely no adjusting. The rugged injection molded construction features a structurally separate coil for increased impact absorption, yet the Garret SuperWand is a light 16 ounces. Powered by a single 9V battery.

\$189⁹⁹ MD-20 ▲

Please call our toll-free number for special discounts when you purchase 50 units or more.

SCANNER - HANDHELD METAL DETECTOR

- Simple & convenient operation • Audio, LED and vibration alerts • Lightweight ABS structure • Large detection area
- Automatic battery check • Automatic reset switch for sensitivity change • Requires 9V battery not included • Size: 16¼" x 2½"

\$49⁹⁹ MD-01 ▶

HANDHELD METAL DETECTORS

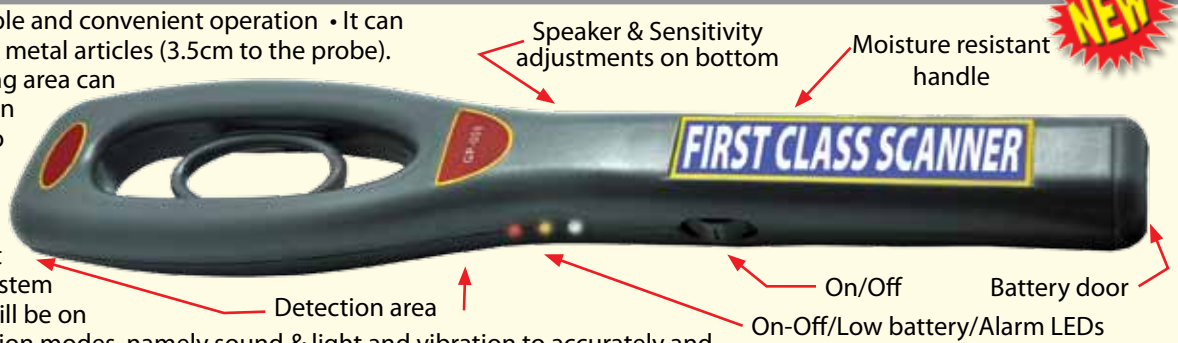

- Small, lightweight and easy to use • Detects both ferrous and non-ferrous metal • Audible and visible alarms
- Requires 9V battery (not included) • Alerts when battery is low • Size: only 13¾" inches long!

\$19⁹⁹ MD-10 ▶

SCANNER - HANDHELD METAL DETECTOR

- High sensitivity • Simple and convenient operation • It can easily detect pin-sized metal articles (3.5cm to the probe).
- It with a large detecting area can complete the detection by moving from top to bottom, greatly improving the working efficiency.
- It has an independent battery low voltage system and the yellow light will be on
- It has double indication modes, namely sound & light and vibration to accurately and rapidly judge the metal position • With shielded damp-proof sensitivity adjusting hole, it seldom fails and is economic and durable • Can work for 40 hours continuously

THE GUARDSCAN SYSTEM

- ◆ **WHY YOUR AGENCY SHOULD HAVE OUR GUARDSCAN MANAGEMENT SYSTEM** ◆
 - ARE YOU LOSING CUSTOMERS?
 - DO YOU WANT TO INCREASE YOUR CUSTOMER BASE?
- ◆ **WE HAVE A SOLUTION FOR YOU!** ◆
 - PROVE THAT YOU OFFER THE BEST SERVICE WITH THE GUARDSCAN SET.

ATTRACT NEW CUSTOMERS & BRING EXISTING CUSTOMERS TO A NEW LEVEL OF PROFESSIONALISM WITH THE GUARDSCAN MANAGEMENT SYSTEM.

This system functions easily as a hand-held data terminal. You simply scan each RFID (radio frequency identification disc) tag you place at check points you choose on a patrol route. Guard accountability increases as each guard must scan the tags to validate each check point. By scanning the tag, the date, time, location and any other incidentals will be logged into the data terminal. Download the information from the remote scanner to your computer and print simple and comprehensive professional reports to be reviewed with current and potential clients.

Date: 04/22/2011

GARRETT PD 6500I WALKTHROUGH

The PD 6500i is the world's highest performing walk-through metal detector and leads the industry with superior pinpoint technology and unmatched discrimination and sensitivity features. Designed for maximum patron throughput without compromising safety, the PDi is the walk-through of choice for security professionals worldwide.

- Easy Assembly
- 33 Distinct Pinpoint Detection Zones
- Entry Facing Lights
- Overhead Control Unit
- Multi-dimensional Coil Design
- Audible and Visual Alarms
- Access Control Panel

The PD 6500i's Access Control Panel is

designed for use by authorized personnel with specific, multi-level security codes. It allows authorized users to change settings such as detection Program and Sensitivity. Security of the detector's settings is maintained with a non-resettable sequence code, which indicates every attempt at access to the settings. A tamper alarm sounds within 10 seconds after the Access Touch pad is pressed, unless a proper access code is entered.

The PD 6500i maintains all settings even when disconnected from power and does not require recalibration each time the unit is turned OFF and back ON. No battery is required for memory retention.

Suggested retail price: \$5,945.00

\$3,895⁹⁹
PD-6500I ▲

GARRETT MT 5500 WALKTHROUGH

The MT 5500 is one of the world's most popular walk-through metal detectors because it provides maximum throughput with unparalleled multi-dimensional scanning. The MT 5500 meets the demanding needs of security professionals worldwide who trust its ability to maintain a high flow rate with minimal alarms.

- Easy Assembly
- Multi-Dimensional Scanning
- Microprocessor Controlled
- Audible and Visual Alarms
- Detection Field
- Access Control Panel

The Access Control Panel is designed for use by authorized personnel with specific security codes. It allows authorized users to change settings such as

Program and Sensitivity. Security of the detector's settings is maintained with a non-resettable sequence code, which indicates every attempt at access to the settings. A tamper alarm sounds within 10 seconds after the Access touch pad is pressed unless a proper access code is entered.

The MT 5500 includes 20 standard programs, which are maintained in an electrically erasable non-volatile memory, for the ultimate in security application versatility. The unit maintains all settings even when disconnected from power and does not require recalibration when unit is turned OFF and back ON. No battery is required for memory retention.

Suggested retail price: \$4,995.80

\$3,495⁹⁹
MT-5500 ▲

DETE-KING IIID WALKTHROUGH METAL DETECTOR

Designed for security professionals that are looking for a full-featured metal detector at an unbeatable value. The WE002 exceeds or meets specifications of more expensive brand names. By using six overlapping detection zones, the multi-channel metal detector can detect with pinpoint accuracy the location of metal objects. Advanced microprocessor technology allows you to selectively adjust the sensitivity in each detection zone.

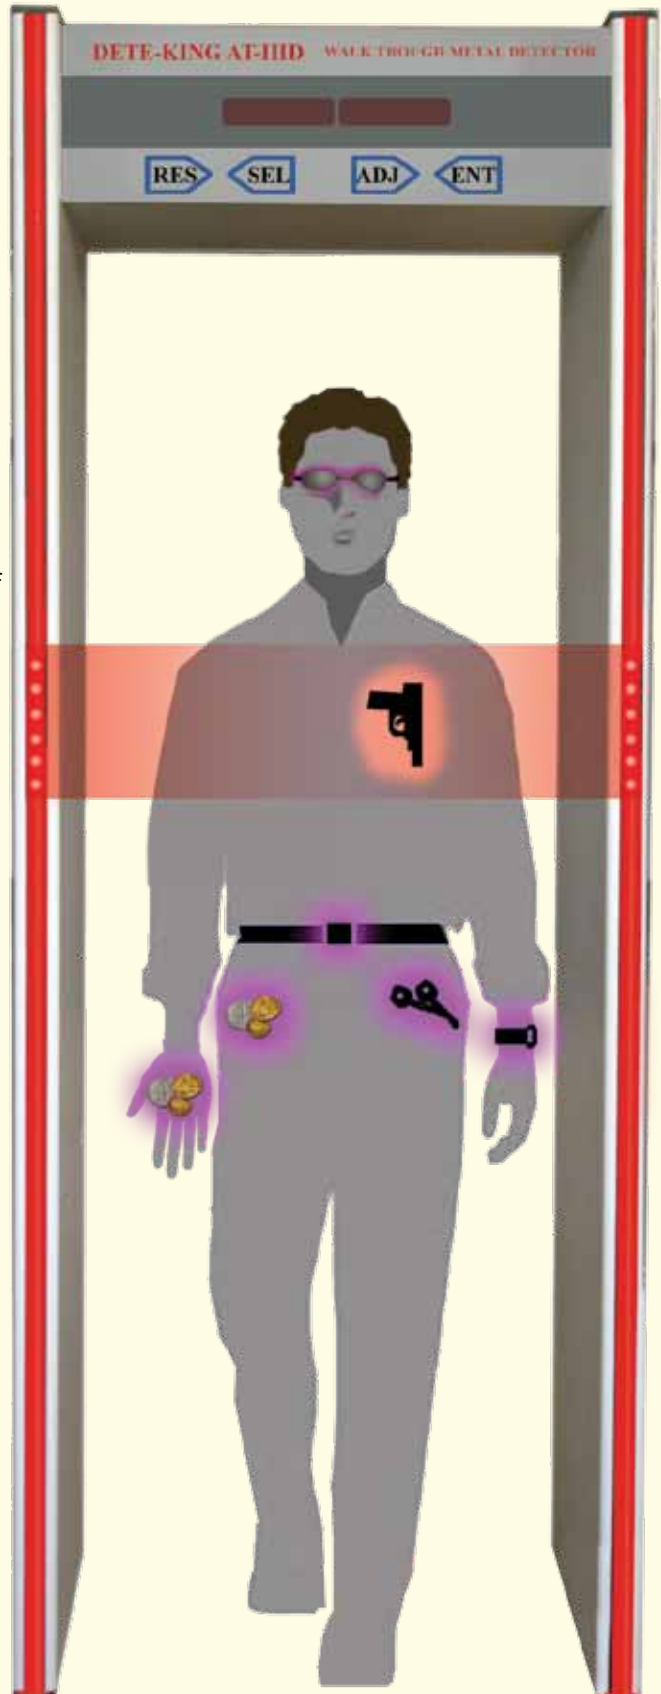

- Easy Assembly
- 6 Distinct Pinpoint Detection Zones
- Audible and Visual Alarms
- Overhead Control Unit
- 100 Sensitivity Levels

Compound circuit design allows visible count of people who have passed through. With the help of DSP technology, false alarms are minimized. Password protected access panel maintains security of all the detector's settings.

DESIGN YOUR OWN BADGE

IT'S SO EASY ANYONE CAN DO IT!

We at Uniform Warehouse are always looking for innovative ways to improve your experience with us. We are proud to introduce our high quality traditional heavy weight custom badges. They come in gold, silver or two tone and won't fade or tarnish. Never before has designing your own badge been so easy and intuitive. You create your own badge in 2 quick steps. Here's what you can do!

Choose a badge design...

Our professional pre-made designs have no minimum order requirement and no setup fee. Buy in bulk and save. Add \$19.99 USD for shipping of any quantity.

QUANTITY	1-2	3-5	6-12	13-24	25-49	50-99	100-199	200-299	300-499	500+

DESIGN YOUR OWN EMBLEM FOR AN UNBELIEVABLY LOW PRICE.

IT'S SO EASY ANYONE CAN DO IT!

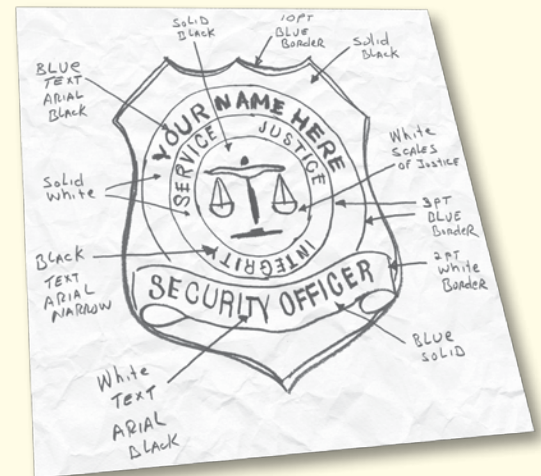

At Uniform Warehouse, we are always looking for new and innovative ways to improve your experience with us. We are proud to introduce our custom emblems. Never before has designing your own emblem been so easy and intuitive. You can do it in a few quick steps!

1. DESIGN IT!

- Start with your own sketch and work with our talented professional design staff

or...

- Choose from our many shapes and designs on the next few pages and mix & match them to create your own perfect emblem

You then ...

LOOK ONLINE
for a complete selection

- Select a design and font type (Block or Times New Roman)
- Choose your text colors (Black, Blue, Red, Gold...)
- Indicate the desired text for each ribbon in your selected design

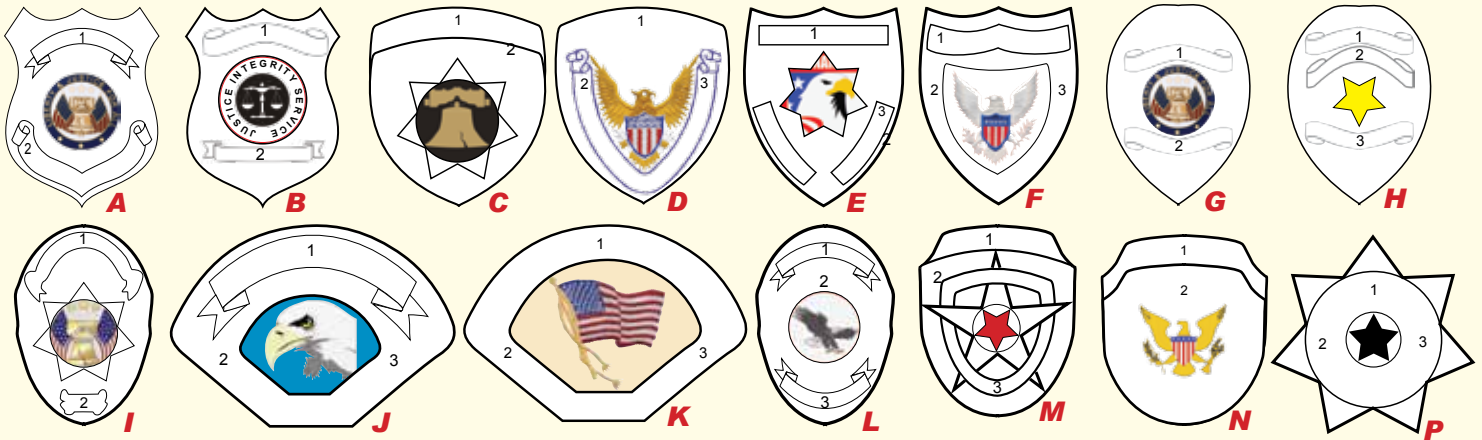

2. ORDER IT!

We know you have many options, but no one can beat our quality or prices. Order your emblem with the assurance that our emblems come with a 100% Satisfaction Guarantee. (An art fee may apply)

All prices subject to change. Any pictorial or typographical errors subject to correction when an order is placed.
Proof of occupation is required for purchase of any law enforcement items.

CHOOSE FROM ONE OF OUR POPULAR DESIGN TEMPLATES:

ARTWORK FEE: Use our talented staff artists to create your emblem. The artwork preparation fee is only \$75. It ensures you get the most professional looking product at the lowest possible price.

FOR YOUR CONVENIENCE: Call for details on how we can store and automatically reorder your custom patches. That way you never run out. Your patches are always in stock. Your garment orders can then be tailored and delivered quickly.

HEAT SEAL: A backing that allows you to simply use a hot iron to adhere your patches to most articles of clothing.

2 SIDED TRAFFIC SIGN

- Hand held light weight reversible aluminum sign
- STOP on the front side and or SLOW on the opposite
- Both created with reflective materials
- Ideal for school functions, community events, fairs and concerts
- A necessity for security personnel, traffic directors and crossing guards

HANDHELD STOP SIGN

- Flashing red light on one side, stop sign on the other
- Ideal for school functions, community events, fairs and concerts
- A necessity for security personnel, traffic directors & crossing guards
- Uses 3 "C" batteries (not included)
- 16¼" long x 7¼" wide

WARNING TRIANGLE

Driving manuals suggest individuals carry a suitable warning triangle for use during breakdowns. For maximum visibility our fluorescent warning triangle includes a hanging Exclamation Point (!), increasing its reflective mass. Collapsing for easy storage, the triangle quickly unfolds for immediate use on its sturdy metal cross bow stand.

How-to-Measure for Men and Women

FOR HELMETS, CAPS OR HAT SIZE Use a cloth measuring tape to determine your correct cap or hat size. Measure completely around the head, starting 1" above the eyebrows in the front and going around the largest point at the back of the head. (See chart below)

FOR CHEST/BUST SIZE — Measure just below the arms, completely around the back and across the broadest part of the chest area. Hold tape firm and level.

NECK — Measure a shirt that fits you well. Lay the collar flat and measure from the center of the collar button to the far end of the button hole. The number of inches equals your size.

SLEEVE — Measure from the center of the collar (in the back), across the shoulder and down the sleeve. Number of inches equals sleeve length.

FOR WOMEN'S HIPS — Stand with heels together and measure around the fullest part of hips.

INSEAM — Take a pair of uniform pants (not jeans) that fits you well. Measure (to nearest inch) from the crotch seam to the bottom of pants.

BELTS — Order your belt 2" larger than your waist size. If between "even" sizes, order the next larger size.

GLOVES — Measure around your dominant hand at fullest part (exclude thumb). Number of inches equals glove size.

Youth T-Shirt Sizes

Size	Body Sizes	
	Age	Chest
Small	2-4 years	22-24 in (55.9 - 61 cm)
Medium	6-8 years	24-27 in (61 - 68.6 cm)
Large	10-12 years	27-30 in (68.6 - 76.2 cm)
1XL	14 -16 years	30-33 in (76.2 - 83.8 cm)
